OTHER RELEVANT MATTERS:

As required by Local Rule 26.1(e), the parties have conferred as to whether they will seek discovery of electronically stored information ("e-discovery" or "ESI"). The parties have not yet reached an agreement regarding e-discovery and will comply with the default standards described in Local Rule 26.1(e) until such time, if ever, the parties reach an agreement and the Court approves the parties' e-discovery plan.

No depositions may be scheduled to occur after the discovery deadline. All discovery requests or other discovery-related filings that require a response must be filed sufficiently in advance of the discovery deadline to enable the opposing party to respond by the time permitted by the Rules prior to that date.

Motions to compel discovery are to be filed and served within 45 days of the default or service of the response, answer, or objection that is the subject of the motion. However, if such default or service occurs within 30 days before the discovery deadline, the motion to compel must be filed within 30 days after such default or service.

This case is set for a non-jury trial. The pretrial order deadline, pretrial conference date, and trial date will be set by separate Order. The parties anticipate the trial will last approximately five (10) days.

The parties are ordered to engage in ADR by the ADR deadline, which shall be set pursuant to the Supplemental Scheduling Order referenced herein. Pursuant to Local Rule 16.3(d), within 7 days of completion of ADR, the parties shall file a notice confirming that the ADR was conducted and indicating whether it was successful or unsuccessful, without disclosing the parties' respective positions at the ADR.

Pursuant to Local Rule 7.2(a)(1)(A), all motions, except motions pursuant to Fed. R. Civ. P. 12, 56, 59, and 60, shall be accompanied by a proposed order in a word processing format sent to the ECF mailbox of the presiding judge.

Pursuant to Local Rule 7.2(a)(1)(B), the parties are required to consult prior to filing any motion (except motions filed pursuant to Fed. R. Civ. P. 12, 56, 59, and 60).

The opposing party must file a response to any opposed motion. Pursuant to Local Rule 7.2(a)(2), a party's failure to respond timely to any motion, other than one requesting dismissal of a claim or action, may be deemed good grounds for granting the motion.

Neither party may file an additional reply to any motion, other than a motion filed pursuant to Fed. R. Civ. P. 12(b) or 56. As provided by Local Rule 7.2(c), if a party believes that a reply is necessary, it shall file a motion for leave to file a reply accompanied by a memorandum setting forth the reasons for which a reply is required within seven days of service of the response. Pursuant to Local Rules 12.1(c) and 56.1(c), a party moving for summary judgment or to dismiss may file a reply within 14 days after being served with the response in opposition to the motion.

The parties do not consent to trial before the Magistrate Judge.

This order has been entered after consultation with the parties. Absent good cause shown, the deadlines set by this order will not be modified or extended.

IT IS SO ORDERED.
